

## **Ivan Balyko**

**Date of birth:** 25.08.1990

**Origin:** Zaporizhia city, Ukraine

**Temporary residence:** Warsaw, Poland

## **Desired position**

### **Frontend developer (React)**

I work with HTML5, CSS3, SCSS, SASS, Javascript, Typescript, React, Redux (Classic/Toolkit) and Tailwind. Have an understanding of Git, Vite, Webpack and the corresponding tools to them.

PS: Although there's no real project examples, I am willing to start my career and dive deep in this field. In case you want more, you can send me test assignments, and I'll show you what I can do.
